

San Mateo Parrish Fellowship Hall

Location: Lovell Avenue
Fort Worth, TX

Size: 8,000 SF

Description:

Panther RES was chosen to coordinate and manage the design, permitting, and construction of a 8,000 SF Fellowship Hall for the San Mateo Parrish in west Fort Worth. The building is a Pre-Engineered Metal structure and includes a commercial kitchen, a mezzanine, offices for the Parrish, and a large meeting area for events. Panther RES worked with the Catholic Diocese of Fort Worth to ensure meeting the standards established by the Building Committee.
